FIRST CALL

12TH INTERNATIONAL CONGRESS

ARTIFICIAL MATERIALS
FOR NOVEL WAVE PHENOMENA

The International Congress on Artificial Materials for Novel Wave Phenomena – Metamaterials 2018 will comprise a **4-day Conference** and a **2-day Doctoral School**.

Organized by the METAMORPHOSE VI AISBL and hosted by Aalto University, this Congress will provide a unique forum to share the latest results of the metamaterials research. The Congress will bring together the engineering, physics, applied mathematics and material science communities working on artificial materials and their applications from microwaves to optical frequencies, as well as in acoustics, mechanics, hydrodynamics, thermodynamics, and other disciplines.

The venue is Otaniemi Campus of Aalto University, 9 km west of Helsinki center, well connected with public transportation.

A number of grants will be offered covering the registration fee and accommodation during the conference. In addition, receptions and conference banquet will be organized.

Papers should be 2-3 pages long where technical content and novelty of the work are clearly presented. Authors of accepted and presented papers will be given the option of publishing their work in **IEEE Xplore**.

METAMATERIALS
FINLAND 2018

SUBMISSION
DEADLINE
4 MARCH 2018

CONFERENCE
27 – 30 AUG. 2018

DOCTORAL SCHOOL
31 AUG. – 1 SEPT. 2018

COMMITTEES

General Chairs

Filiberto Bilotti, Italy (chair)
Andrea Alù, US (co-chair)

Program Committee Chair

Vincenzo Galdi

Steering Committee Chair

Alessio Monti, Italy

Local Chairs

Ana Díaz-Rubio
Sergei Tretyakov
